

When No Doesnt Cut It (The Cloverleah Pack) (Volume 3)

Scott Peterson, beta wolf in the Cloverleah Pack, had a good life. He loved his cars, riding his Harley, and going out with pack members and friends. But when an attack on his pack by a bear shifter, brings his mate into his world, from Texas of all places, Scott realizes he could lose everything he ever held dear. Damien, Alpha wolf of the San Antonio Pack, didnt want to go to Cloverleah and definitely didnt want to be chasing a rogue bear shifter that was threatening the Alpha of the Cloverleah Pack. But he was in for a pleasant surprise when he finds his mate. Now, if he could just find the time to enjoy him. Between murderous bears, deceptive wolves, two packs and a BDSM club, the road to HEA is anything but smooth for Scott and Damien. And then theres a fire, and an Alpha Challenge, and lets not forget Diablo and Griffs wedding. About the only thing Scott and Damien havent got is time to be together, and it is that lack of time that could pull them apart.
