

?Oe, oe, oe! (Spanish Edition)

Veranio, Tonito y Amancio son personajes familiares, grotescos y tiernos que llegan irremediabilmente al fondo de las cosas. Los tres quieren escapar de una realidad frustrante y entierran su amargura en el futbol, posiblemente porque ya no creen en nada, ni se sienten representados por nadie. El futbol que es un buen pretexto para escaparle a lo serio, se convierte asi en algo esencial para aquellos que empiezan perdiendo la esperanza y terminan perdiendo el rumbo. Dentro de esa logica perversa, la television, responsable de un triste proceso de idiotizacion, acaba siendo el unico dios que le da sentido a sus vidas.
