

Murder At Cold Springs

Marc Rich felt his world had collapsed and then suddenly like a bolt of lightning from the blue he was invited to help locate a rich mans missing wife and that task took him to Jackson County Tennessee. He arrived and started his investigation and soon found himself involved in murder and mayhem. He met some interesting characters, but none more so than Rachel Green, Sheriff of Jackson County. Marc also met the Wolf family, a group of Cherokee Indians living in a place known as the Ash Hopper. The crimes are most foul and the sex is sizzling in this epic yarn.
