Illustrations William Shakespeare (26
April 1564 23 April 1616) was an English
poet, playwright, and actor, widely
regarded as the greatest writer in the
English language and the worlds
pre-eminent dramatist. He is often called
Englands national poet, and the Bard of
Avon. His extant works, including
collaborations, consist of approximately 38
plays, 154 sonnets, two long narrative
poems, and a few other verses, some of
uncertain authorship. His plays have been
translated into every major living language
and are performed more often than those of
any other playwright. BOOKS THE
