

The Works of Robert Louis Stevenson, Vol. 17 (Classic Reprint)

Excerpt from The Works of Robert Louis Stevenson, Vol. 17 An affair which might be deemed worthy of a note of a few lines in any general history has been here expanded to the size of a volume or large pamphlet. The smallness of the scale, and the singularity of the manners and events and many of the characters, considered, it is hoped that, in spite of its outlandish subject, the sketch may find readers. It has been a task of difficulty. Speed was essential, or it might come too late to be of any service to a distracted country. Truth, in the midst of conflicting rumours and in the dearth of printed material, was often hard to ascertain, and since most of those engaged were of my personal acquaintance, it was often more than delicate to express. I must certainly have erred often and much; it is not for want of trouble taken nor of an impartial temper. And if my plain speaking shall cost me any of the friends that I still count, I shall be sorry, but I need not be ashamed. In one particular the spelling of Samoan words has been altered; and the characteristic nasal n of the language written throughout ng instead of g. Thus I put Pango-Pango, instead of Pago-Pago; the sound being that of soft ng in English, as in singer, not as in finger. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
