

The Innocents Abroad Volume 2: The Writings of Mark Twain Volume II

The Innocents Abroad, or The New Pilgrims Progress is a travel book by American author Mark Twain published in 1869 which humorously chronicles what Twain called his Great Pleasure Excursion on board the chartered vessel Quaker City (formerly USS Quaker City) through Europe and the Holy Land with a group of American travelers in 1867. It was the best selling of Twains works during his lifetime and one of the best selling travel books of all time.
