

Port Vila Blues (A Wyatt Novel)

Wyatt, the cool, ever-evasive thief, snatches the cash easily enough. He bypasses the alarm system, eludes the cops, makes it safely back to his hideout in Hobart. It's the diamond-studded Tiffany brooch and perhaps the girl that undoes him. Now some very hard people want to put Wyatt and that brooch out of circulation. But this is Wyatt's game and Wyatt sets the rules even if it means a reckoning somewhere far from home. In a murky world where the cops are robbers, old-style criminal Wyatt positively shines.
