

Zero Degrees Part 1

Zero Degrees 2 and 3 are available now. I watched as the blood oozed from Goodys head after Id emptied the guns clip. I was supposed to feel something, like remorse maybe, but I didnt feel shit. He was my mothers no good, perverted ass boyfriend and I was relieved to see him take his last breath. Good riddance. Id caught my first body at the tender age of fourteen and I must admit that I actually enjoyed it. Life had taken me on a dark, destructive path since the gruesome murder of my father when I was nine. All of those bottled up emotions that I never dealt with came full circle and my actions sent me to juvenile detention for second degree murder.

During my time in juvie I met my best friends Teena and Peaches. The three of us formed a very unlikely friendship, but we found a common bond. Calling ourselves three the hard way, we pulled off the wildest riot in the history of the institution. We planned to wreck the same havoc when we hit the streets. My nigga Buff, a streetwise hustler, held me down when I was in juvie just like he did when I was at the crib. He and his sexy ass brother Zeus had made a major come up in the dope game and my niggas promised to look out for me when I got out. After my release at the age of eighteen it was on! My lifes mission was to find the men who murdered my father and personally annihilate them. At a time when most girls were thinking about graduation and prom, I was planning the massacre of some of the most dangerous men in the criminal underworld. In my eighteen short years life had thrown some fucked up obstacles in my way, but I would soon realize that I hadnt seen shit yet. In this painfully treacherous urban tale of drugs, sex money and murder you will experience the circumstances that turned a sweet little girl by the name of Zeaira Rowe into the cold blooded killer Zero Degrees.
